CUB MOTORCYCLE

Inspired by the legendary spirit of the classic underbone, the Kamax CUB Series reimagines a global icon for today's riders. From the agile CUB Pro (50cc / 110cc / 125cc) built for effortless urban commuting, to the adventurous CUB X (150cc) designed for light off-road escapes, and the bold CUB S (150cc) tailored for custom expression — every model is a tribute to function, freedom, and form. The eco-conscious CUB EV brings electric innovation to the classic silhouette, offering a quiet and sustainable ride for the modern city. Whether navigating city streets or exploring open paths, Kamax CUB is your ride of character, versatility, and enduring style.
