FEATURES:

- Stylish, modern design
- Fuel-efficient performance
- Low-maintenance build
- Ideal for inner-city roads and short-range commuting

CUB MOTORCYCLES

Inspired by the legendary spirit of the classic underbone, the KAMAX CUB Series reimagines a global icon for today's riders. From the agile CUB PRO (50cc / 110cc / 125cc) built for effortless urban commuting, to the adventurous CUB X and CUB CROSS designed for light off-road escapes, and the bold CUB S tailored for custom expression — every model is a tribute to function, freedom, and form.
